Your puppy is guaranteed to be in good health when you receive him/her. They have been wormed. They have received the typical vaccinations, which will be documented for you and your vet.

No cash refunds are given for the puppy after the 72 hour guarantee. All puppies leave CM as family companions. We cannot guarantee the breeding or show ability of any dog.

A necropsy must be performed to determine the cause of death at an approved facility and a letter from this facility's licensed veterinarian. It must state that the cause of death is congenital. If your puppy is diagnosed with a congenital disease within the first year of age, we will provide you with another puppy.
